6.21%

and

15.47%

After the starting rate is set, your rate will then vary with the market.

Your Starting Interest Rate (Upon Approval)

Your rate is variable. This means that your rate could move lower or higher than the rates on this form. The variable rate is based upon the SOFR (as published by the *Federal Reserve Bank of New York and/or the Wall Street Journal*).

Although the rate will vary after you are approved, **it will never exceed 16.00%** (the maximum allowable for this loan).

See Reference Notes for more information on the variable interest rate.

ADDITIONAL IOWA STUDENT DISCLOSURES**A. Cosigner Requirements**

A cosigner is required for this loan if the borrower does not meet the Lender's age, citizenship, credit, income or employment criteria.

Cosigners may also affect the interest rate on the loan. If the borrower has a cosigner, the borrower may receive a better interest rate and improve the chances for loan approval. The effect a cosigner has upon the interest rate depends upon the cosigner's creditworthiness. The more creditworthy the cosigner, the greater potential there is for a lower interest rate.

B. Repayment of Loan Information

Repayment of the loan begins 6 months after the borrower leaves school or ceases to be enrolled in school, as defined by the School.

The repayment period of the loan is 5, 10 or 15 years for fixed and variable loans. The borrower must choose a plan for which they are eligible.

Additionally, the borrower can prepay the loan in whole or part at any time without penalty.

C. Additional Terms and Conditions

The borrower's loan is subject to all of the terms and conditions of the Credit Agreement/promissory note. Please read the Credit Agreement/promissory note carefully, it may include terms under which the interest rate on the loan may change.

To obtain a copy of the Credit Agreement/promissory note, please contact us at the address or phone number listed below. Once signed, you can also find a copy of your agreement within your online account.

D. Consequences of Loan Default

There are serious consequences if the borrower defaults on this loan, including any limitations on discharging the loan in bankruptcy, contained in Section 523(a)(8) of the United States Bankruptcy Code. Under normal circumstances, student loans are not dischargeable in bankruptcy. In order to discharge a loan in bankruptcy, the borrower must prove undue hardship in an adversary proceeding before the bankruptcy court.

Additional consequences of default on this loan include:

- *Lender may report the late payment history to consumer reporting agencies, which will adversely affect the borrower's credit rating and ability to get more credit*
- *Interest will continue to accrue on the outstanding principal balance*
- *Lender may take legal action*
- *Borrower will become ineligible for further loans from the lender*
- *Lender may garnish wages*
- *Full amount due may become due immediately*
